

February 26, 2020

Greetings!

This year we have some significant changes to the local Bluffton farmer's market. We are excited to announce that Bluffton NOW!, Bluffton's downtown revitalization group, will be managing the market and holding it on the Parlor City Plaza. In addition, the market is being re-branded to be called the Parlor City Market.

The goal is to offer activities, food and entertainment to the downtown each Saturday to promote the vendors and create a sense of community while increasing a quality of place in Wells County.

Enclosed you will find the Vendor Registration Form for the Parlor City Market for 2020. If you have any questions, please do not hesitate to reach out.

We look forward to working with you this summer.

Sincerely,
